Remarks by Mr. Lyon Cohen at Convention of American Jewish Congress, October 15th, 1923, Commodore Hotel, New York.

Mr. Chairman, - Ladies and Gentlemen : -

I would surely be wanting in the most elementary sentiments of appreciation if I did not seize the opportunity afforded me to say a few words, to express my sincere thanks for the neighborliness extended to myself and colleagues from Canada by inviting us to attend the deliberations of your Congress. You have been very hospitable indeed, in providing me with exceptional opportunity to hear the many excellent speeches which were delivered, as well as to hear our great Jewish literary genius, Mr. Israel Zangwill. Whatever sentiment I may entertain regarding the pessimism which he has expressed in respect to Jewish world affairs or Zionism at the present time, or of his playful criticism of the Marshall Laws, under which the Jewish Community of your country seems to thrive so well, these will not cause me to withhold my gratitude to Mr. Zangwill for the many pleasant and inspiring hours which I have spent reading his inimitable translations of our Hebrew poets in the Machzor during our Holy Days.

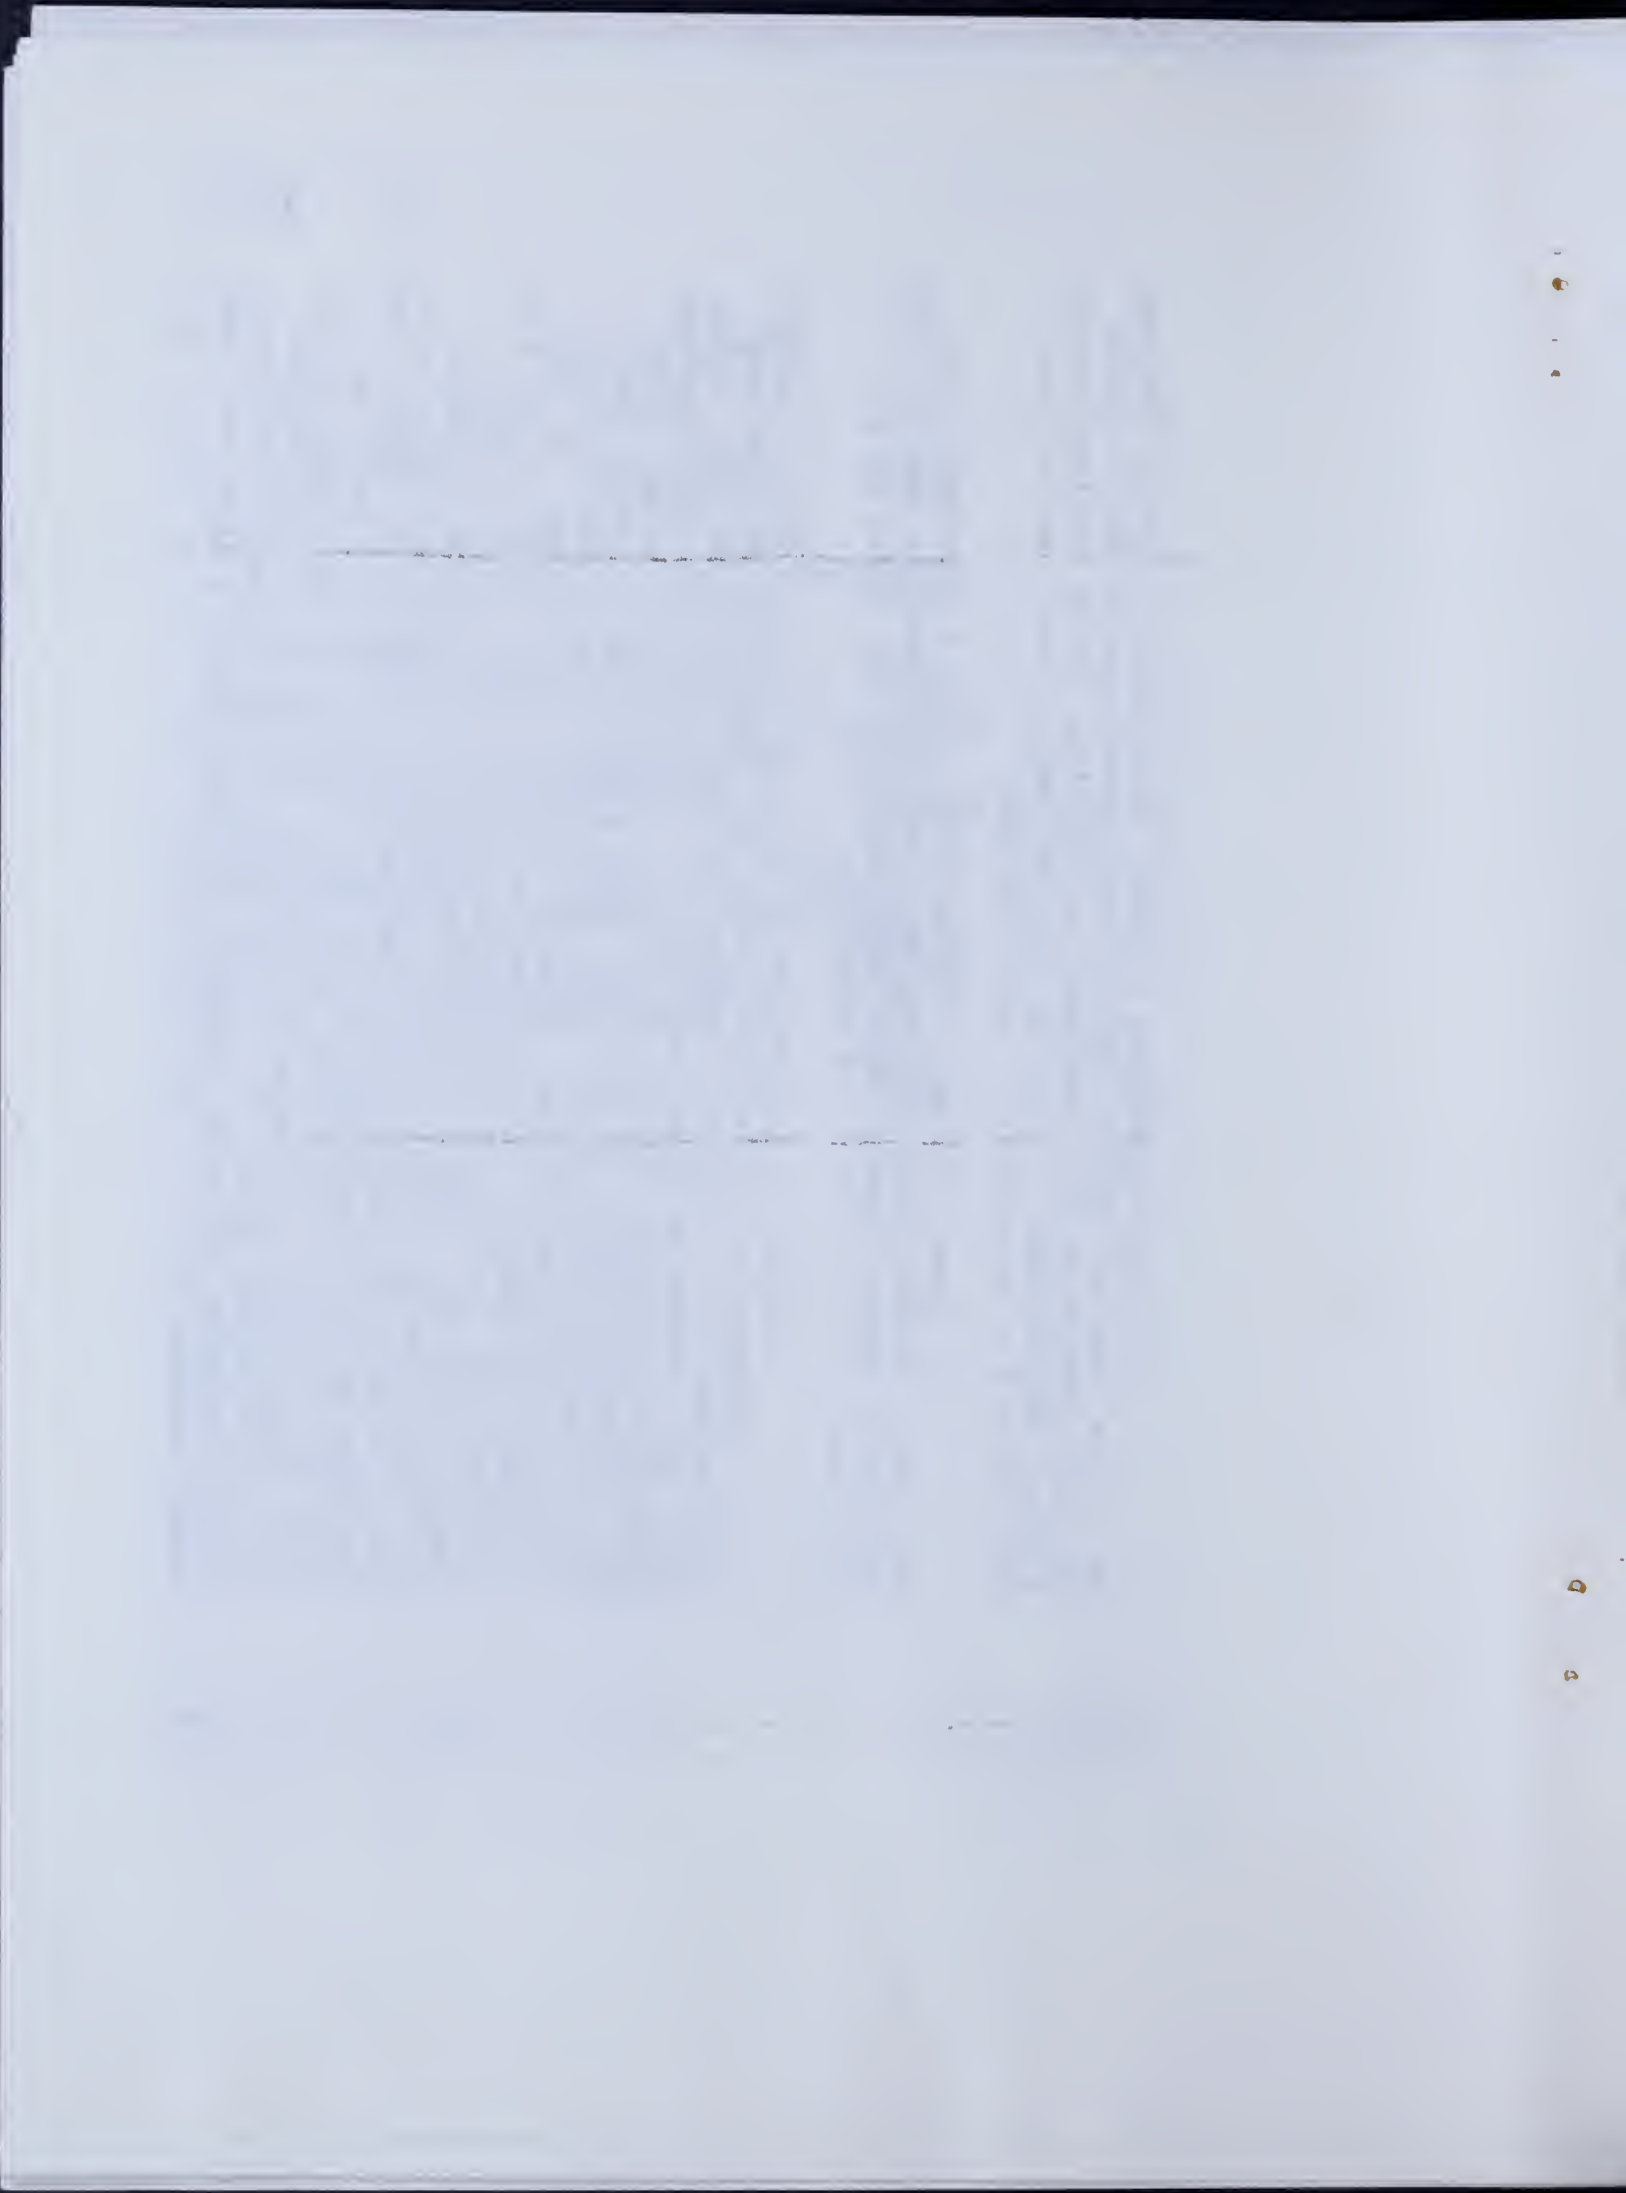

I hope that I may not be accused of intruding my views if I hazard to make a suggestion, for although coming from a country which has not attained the eminence in any degree of your country, our feelings in respect to Jewish matters are alike. I feel that only an imaginary line separates us in the sentiments we hold and in the sufferings which we endure. In a world where there are few to espouse the cause of the Jew, who in many lands is suffering all kinds of persecution, it is refreshing to find someone who is bold enough to take up their defence.

In this connection I would, with much deference, suggest that this Congress should express its appreciation of the attitude of Lloyd George and his Government on Zionism, which resulted in the Balfour Declaration, as well as for that magnificent and fearless article of his in protest of anti-Semitism.

I trust that your deliberations will be productive of much good and hope that your organization will give its wholehearted support to those agencies which will enlighten the world on its ignorance of the Jew and his mission.

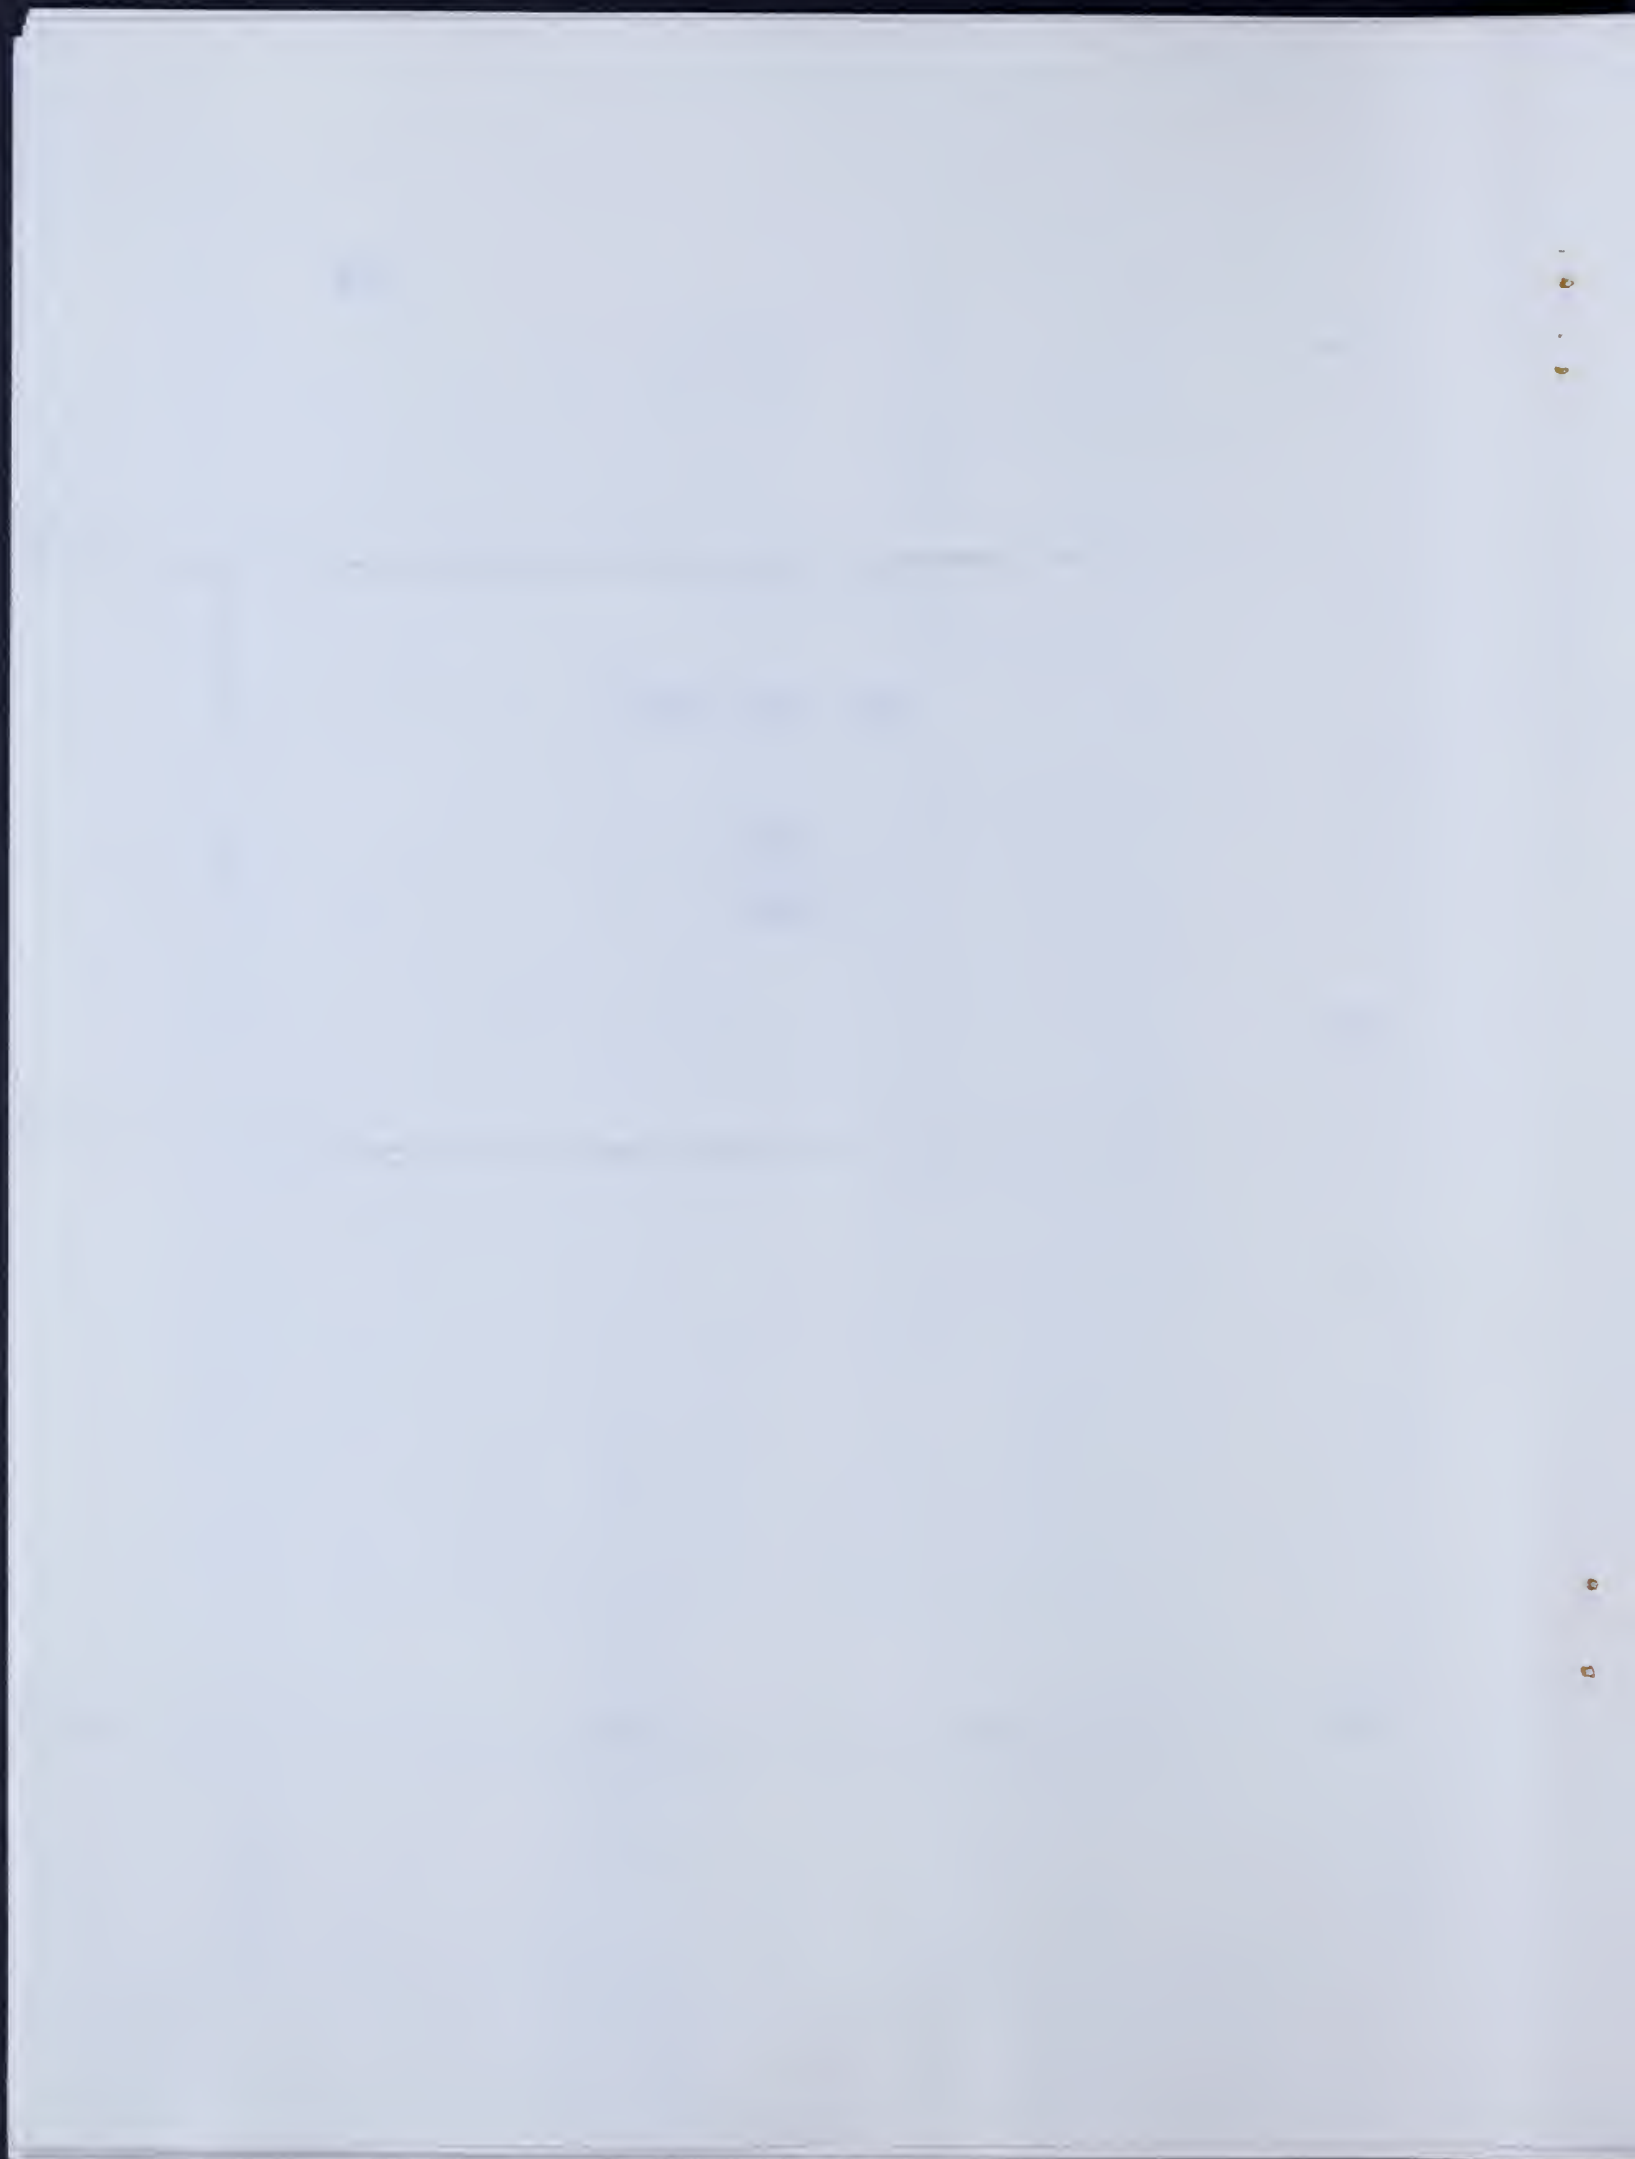

You may be interested in knowing that the first Canadian Jewish Congress was called into being at a time when the European nations were in a state of ferment, and when few nations were being given the charter of their existence. The Canadian Jewish Congress, through your representatives in Paris, supported you in your brave and victorious fight for minority rights in Poland, Roumania and other countries, and we feel that our memoranda on these important questions have been of some assistance to your delegates. We are battling with many of the problems in our own country which you have to face, and are just at present seeking a modification of our immigration laws. One of the offshoots of the Congress has been the Jewish Immigrant Aid Society of Canada, which in a small way is doing the work in our country which the B'nai is doing in yours. Our Congress has not functioned during the past few years, but I am sure that Canadian Jewry will be ready, should the emergency call it into being again, to co-operate with you in the great work which you are designed to do. - I wish again to thank you for the kind manner in which you have received our delegation and wish your work every success.

2.30 P.M. Jewish deputation consisting of Nathan Gordon, Rabbi Merritt, Hy. Weinfield, representing Educational Committee, Louis Fitch, Rabbi Cohen, H. Wolofsky, I. Lande, S. Wiseman, Ald. Lyon W. Jacobs, Tsuckor, representing Jewish Community Council, and myself - having the endorsement of the Community Council for my plan, - were introduced to the Premier, Mr. Taschereau, by Mr. Bercovitch, and all three plans were explained to him. He received us very graciously and suggested in view of inability to agree, to appoint a commission to study and report at next session. In the meantime would approve Bill going through. Our delegation unanimously accepted Premier's offer.

7.30 P.M. After Conference with Protestant Committee, who were willing to arrange with Community Council on my plan, I called upon the Educational Committee, informed them I would not push my plan or allow an agreement unless they were a party to it. I could only get them to agree that we would back up Premier's suggestion and not push any of the claims before Private Bills Committee, who were going to sit at 8.30.

8.30 P.M. Creelman irritated at our refusal to allow Protestant Bill to pass. Would not accept Premier's suggestion for Committee of enquiry. Bill defeated in Committee and reported to House. Mr. Bercovitch makes splendid plea.

HANGING OF MUIR STILL UNDECIDED

Notice of Appeal Served on
Presiding Judge Yesterday by Defence

CASE BEFORE CABINET

Coincident With Consideration
of Commutation, Execution
Is Stayed—Illegal Indictment Alleged

At Ottawa this morning the cabinet is due to decide whether Walter Muir, Valleyfield murderer, shall hang tomorrow, or whether his sentence shall be commuted to life im-

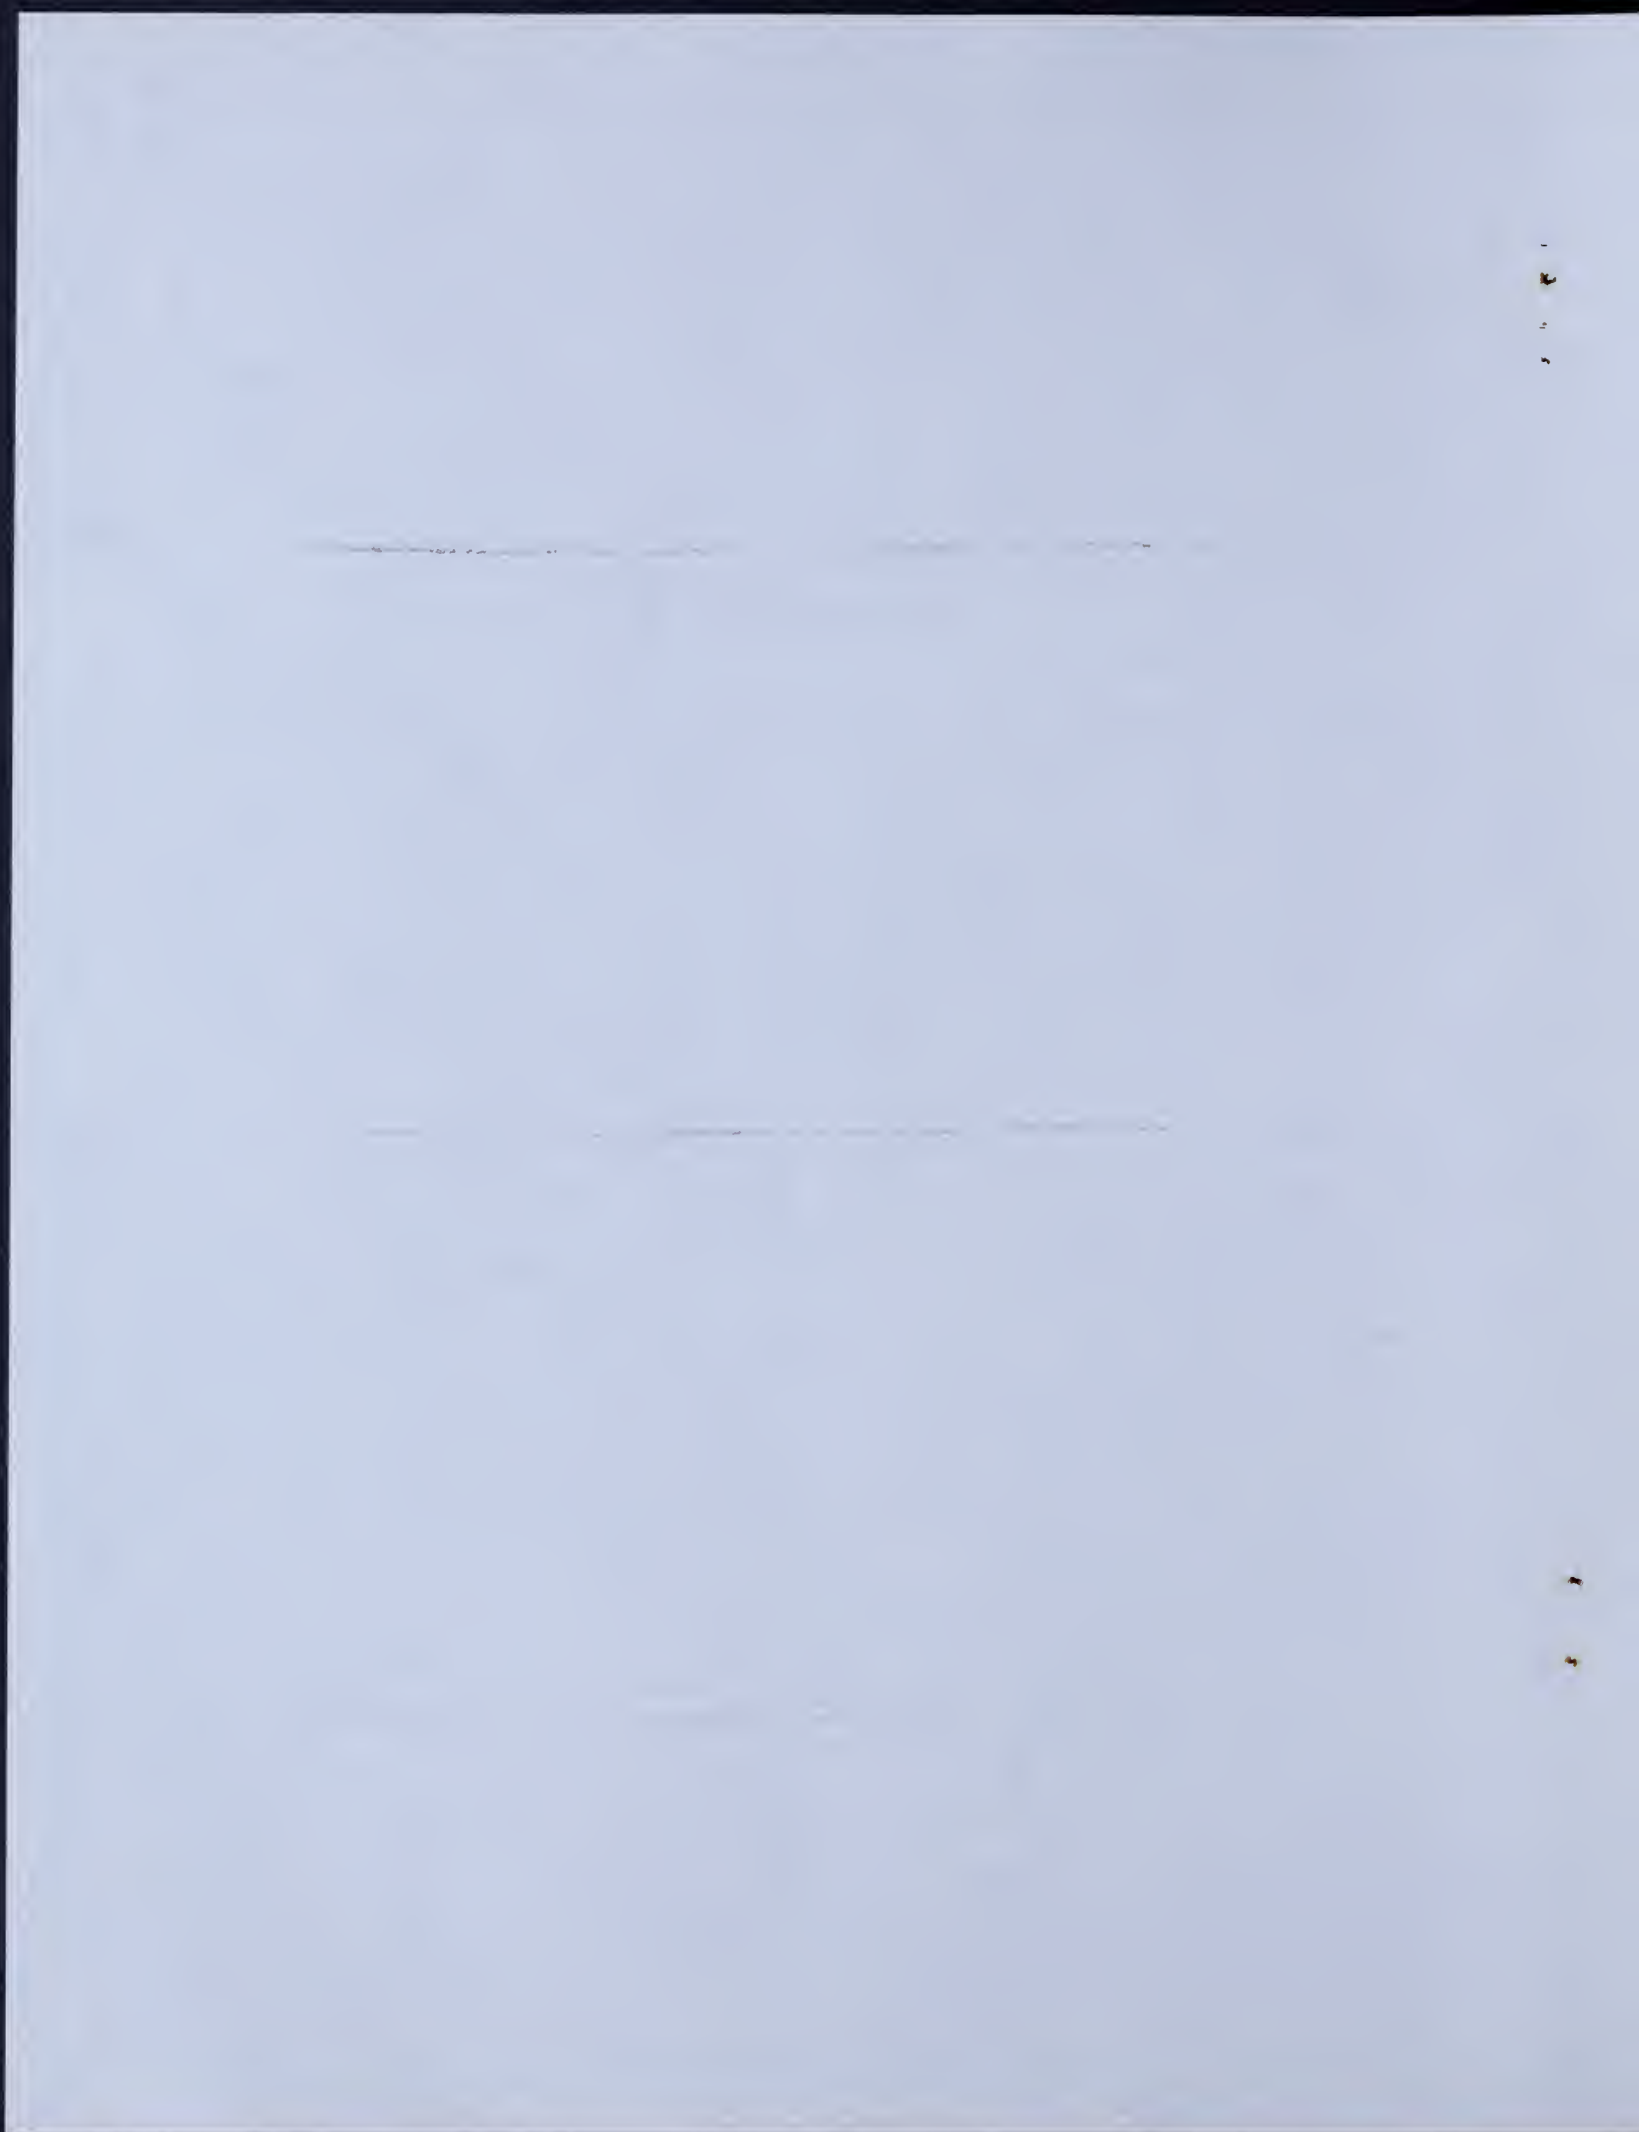

prisonment. At the same time, court action taken here yesterday afternoon has snatched the matter from the cabinet's hands, notice having been given of an appeal that will be heard by five judges of the Court of Appeals at the end of April.

The final effort to save Muir from the gallows, to which he has been condemned for his crime of September 23 last, was made when Joseph Cohen, Lucien Gendron and Alban Germain, K. C., as counsel for Muir, served notice of the appeal on Mr. Justice Wilson, who sentenced Muir at Valleyfield, and on William Patterson, K. C., and L. Cobbe, crown prosecutors, who conducted the case for the crown.

Alleged illegality of the indictment under which Muir was sent before the jury, is the basis of the notice of appeal which holds that the indictment is null and void because it adds to the charge of murder another count, "against law and procedure provided for in indictments in cases of murder."

"That notice of appeal does not require the approval of the judge," Mr. Patterson stated to The Gaz-

ette last night. "It automatically stays the hanging, and if the Court of Appeals ultimately should concur in the allegations made, undoubtedly the verdict, already rendered, would be quashed, and Muir would be given a new trial."

DIARY1924March 30th

Referring to item of March 27th, respecting case of Walter Muir. -

This case has reference to a New York Boy who got into a scuffle at Valleyfield, which resulted in him shooting and killing a man. A false rumor got about that Muir was a Jewish boy. The execution was set for April 4th. A number of parties phoned me, informing me that there was something wrong in the indictment, and that someone should take up the matter, to obtain a stay of execution.

My first thought was to find out from my uncle, Rabbi Hirsch Cohen, who is the prison chaplain, whether the boy was really a Jewish boy. He knew nothing of the case, but immediately went out to the jail. Muir disclaimed being a Jew, but said he had some Jewish friends, and that might have led to the impression that he was. I made enquiries from a number of parties and cleared up the fact. I felt, however, that having taken an interest in the matter I should not drop the case and phoned Dr. Atherton and arranged to have a Catholic representative meet me at the Montefiore Club, where I had already invited a number of people, including a Mr. McNee, a Protestant from Valleyfield. It was there decided to retain the services of Jos. Cohen to try and obtain a stay of execution.

CHIEF RABBI OF PALESTINE COMING

Dr. Abraham I. Kook and
Colleagues to Visit Mont-

EDUCATIONAL CRISIS

Schools and Seminaries of
1,300 Communities in East-
ern Europe Are Imperilled

—Reception Plans

For the purpose of personally deliver-
ing a message to their co-re-
ligionists in Canada as to the urgent
needs of Jewish schools and seminaries
in Eastern Europe and Palestine, a distinguished rabbinical de-
legation will visit Montreal next week
for a period of three days. The
party due to arrive from New York
on Monday morning next consists of
Abraham I. Kook, chief rabbi of Pal-
estine; Abraham B. Shapiro, chief
rabbi of Lithuania; and Moses M.
Epstein, dean of Slabotka Theologi-
cal University.

A prominent reception committee
has been organized consisting of rab-
bis and laymen, under the chairman-
ship of Mr. Lyon Cohen, which is in
charge of the reception arrange-
ments. The rabbis will arrive at
Windsor Station at 7.30 on Monday
morning, and will be met by reception
committee and delegations from
other Canadian cities. All the local
rabbis are honorary members of the
special reception committee, which
includes Lyon Cohen as chairman;
Ascher Pierce, treasurer, and S. Gutt-
man, secretary.

On Monday evening next a ban-
quet will be given in honor of the
delegation at the Community Hall,
of the Shaar Hashomayim Synago-
gue in Westmount, at which over 500
guests are expected to be present.

The following day a public recep-
tion will be tendered the delegation.
Rabbi Kook received a civic welcome
in New York, and was received at
Washington by President Coolidge
and the British Ambassador.

Rabbi Kook and his companions
have undertaken the journey to the

United States and Canada to deliver
in person a message to their co-re-
ligionists, which is that unless the
Jewish schools and seminaries in
Eastern Europe and Palestine con-
tinue to receive a little longer the
support of the American Jews, hun-
dreds of these educational institu-
tions will have to be closed in 1,300
Jewish communities in the war
stricken lands of Europe. Half a
million children will be disbanded,
of which 30,000 are orphans, and these
will group up without religious and
secular education. It is to save the
Jewish world from this impending
disaster that the Rabbinical Delegation
have come to America. This cult-
ural work has been carried on
through the Central Relief Com-
mittee in New York. In the States
the Jews are rallying to the appeal
of the rabbis, and the same enthusi-
asm is expected to greet the rabbis
in Montreal.

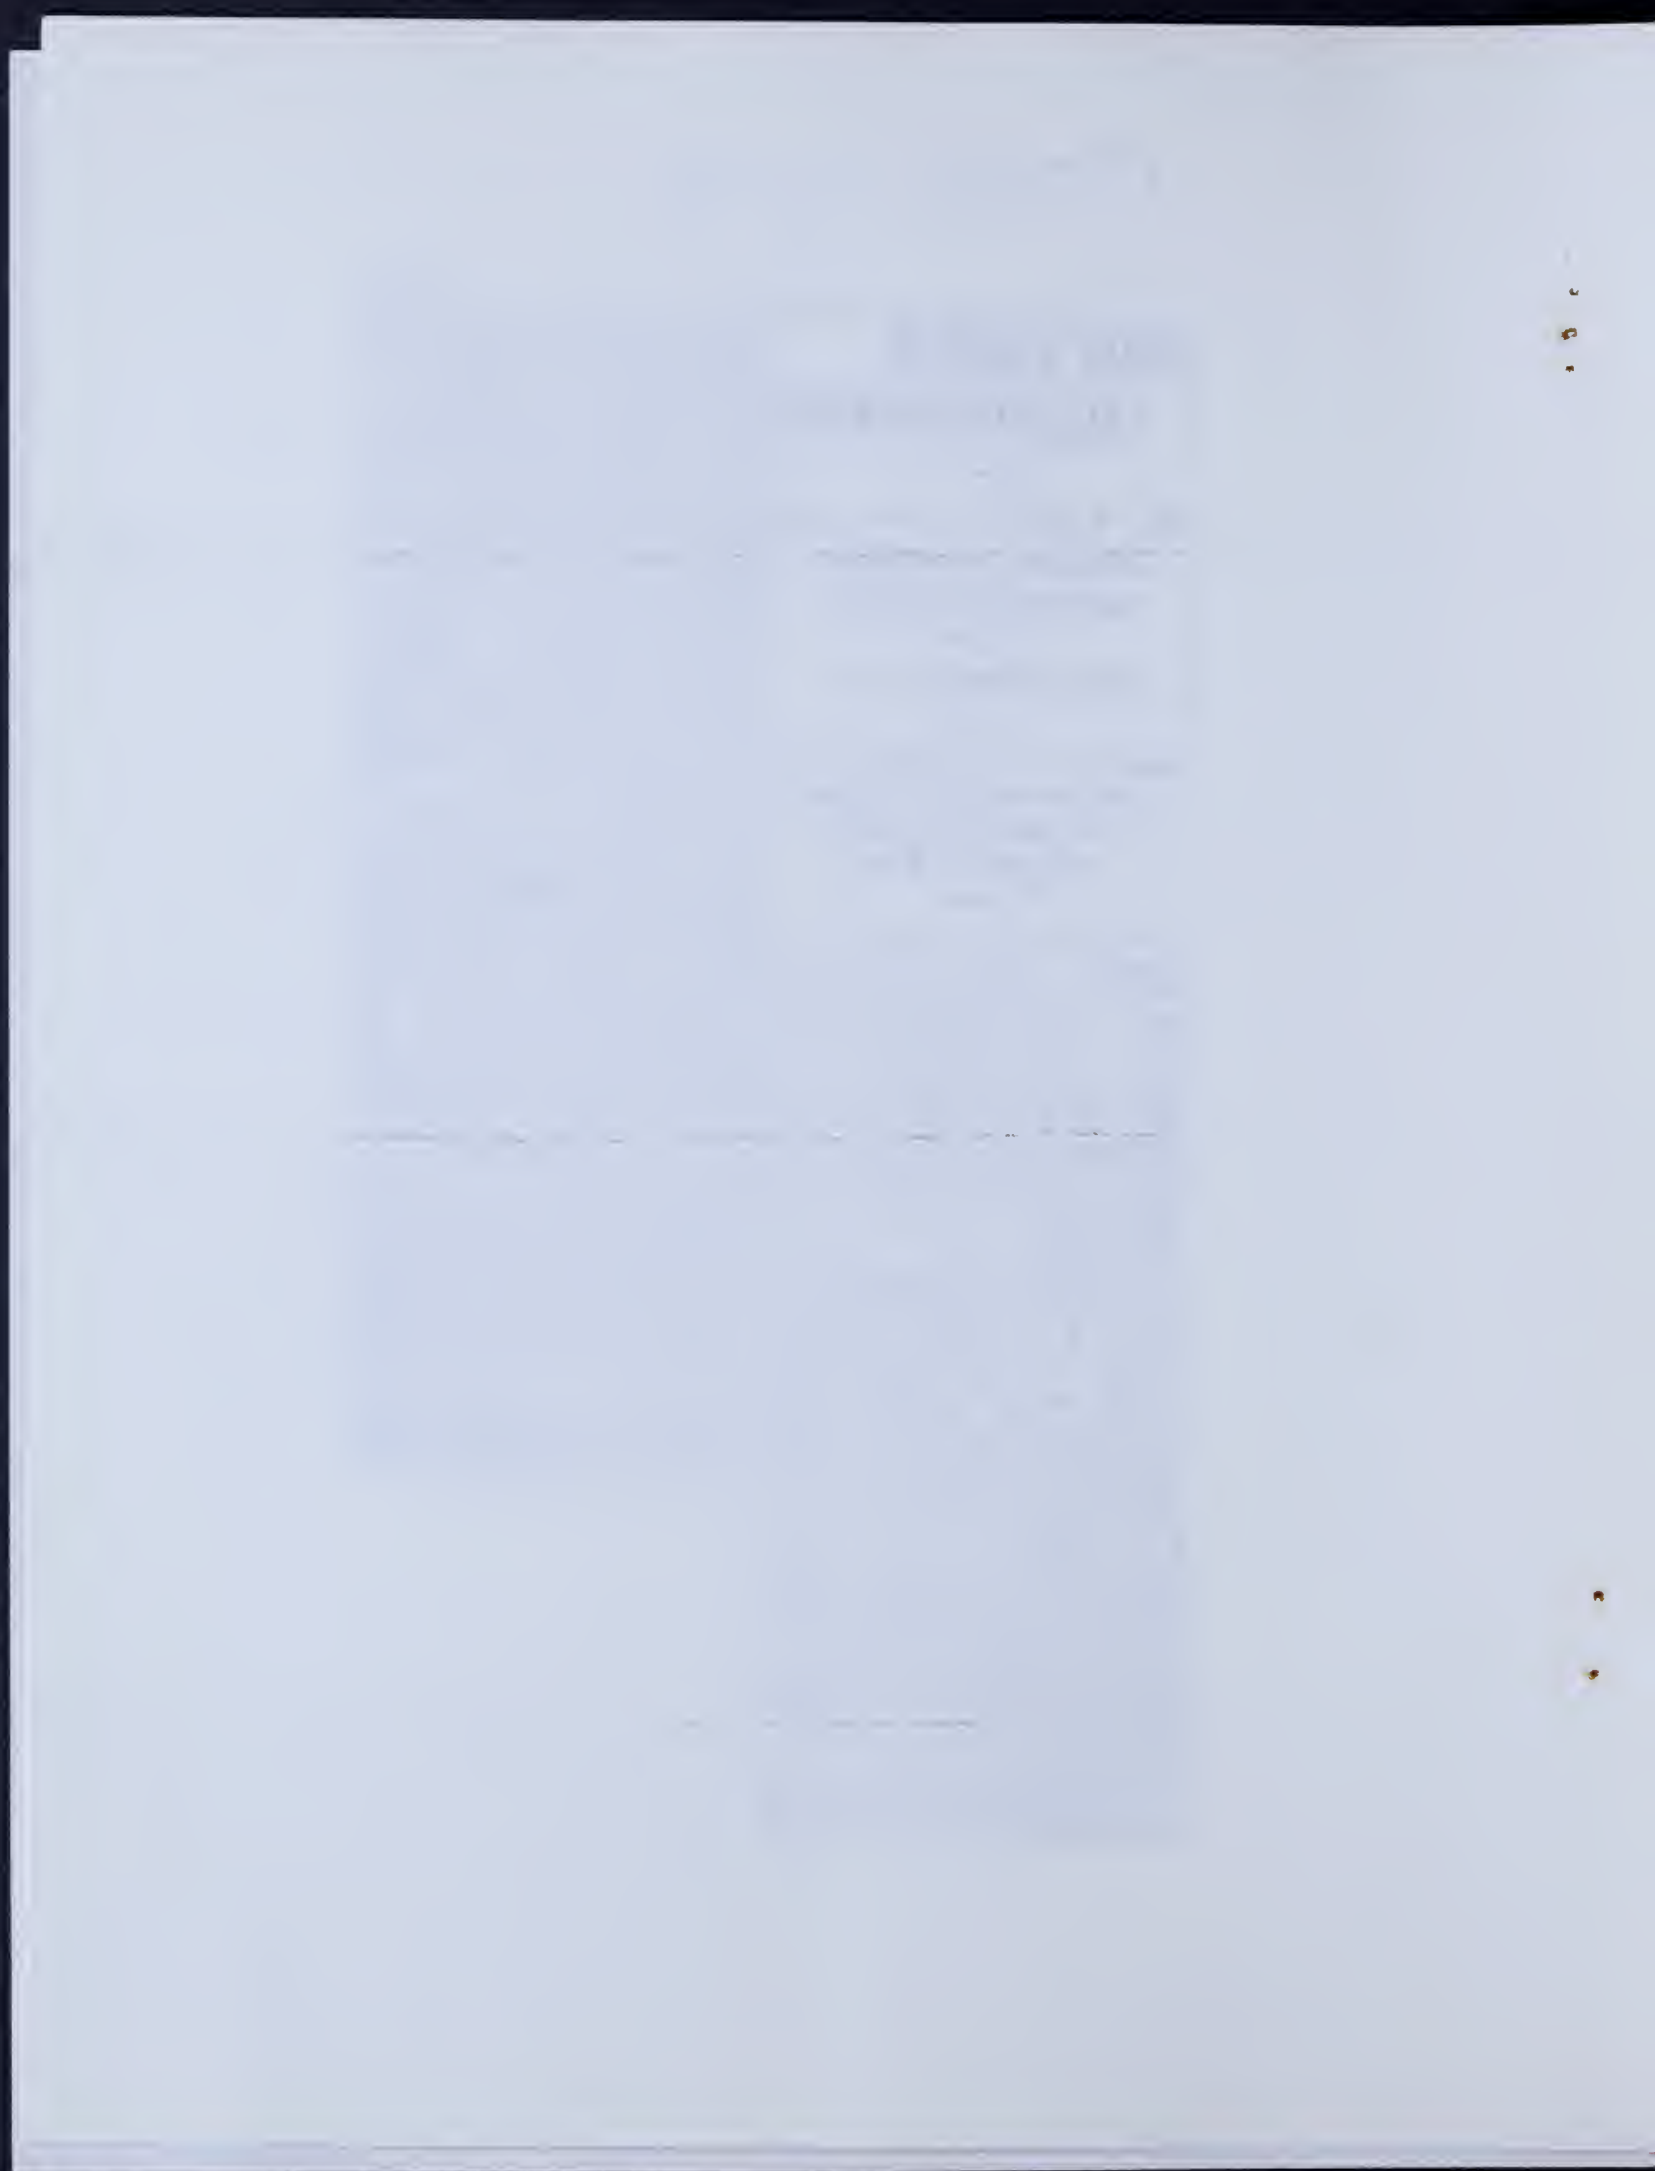

The leader of the delegation is
Rabbi Kook, of Palestine, who is a

man of rare mental attainments. He
is a renowned theologian, poet, phil-
osopher and humanitarian. At the
age of 18 he had already several
books on ethical and philosophical
topics to his credit for which he re-
ceived a doctorate degree from the
Berne University.

From his youth Rabbi Kook was
enamored with the Holy Land. At
the outbreak of the world-war Rabbi
Kook happened to be in Switzerland.
Owing to his pro-Ally sentiments the
Germans refused him permission to
return to Palestine, and he found a
temporary home in London, where his
personal qualities received general
recognition.

When General Allenby liberated
Palestine, Rabbi Kook returned to
Palestine and was immediately elect-
ed Chief Rabbi of the Holy Land,
and officially installed in this high
office by the High Commissioner,
Sir Herbert Samuel. The British
Government has conferred on him the
decoration of Commander of the

British Empire. Rabbi Kook is con-
sidered to be the spiritual head of
the Jews and in Palestine he is ven-
erated by both Christians and Mos-
lems.

Conference For Organizing Jewish Relief on a World Scale Opens in Carlsbad

PARIS (J. T. A.)—The second Jewish World Relief Conference opened recently in Carlsbad, according to the Executive of the Jewish World Relief Conference, which is convoking the conference. Sixty-five Jewish organizations of nineteen different countries have written that they sent representatives to the conference. Among the delegates who attended are Dr. Chajes, Chief Rabbi of Vienna, Dr. Deutsch, Prof. Max Heissler and Messrs. Max Markus and Heinrich Pappenheim (Austria); Mr. Lyon Cohen (Canada); Dr. Ludwig Singer, President of the Jewish National Council in Prague, and Dr. Emil Weismeyer (Czecho-Slovakia); Dr. Kaelter, Chief Rabbi of Danzig; Chief Rabbi Prof. D. Simonson (Denmark); Mr. Van Rualte (Holland); Dr. S. Rosenbaum, President of the Jewish National Council and ex-Minister for Jewish Affairs, and Mr. Brudny, President of the Central People's Bank (Lithuania); Prof. Pick, member of the Palestine Zionist Executive, and Mr. David Yellin, President of the Jewish National Council (Palestine); Deputies Gruenbaum, Priluzki, Silberschein, Rosmarin and Mme. Melzer (Poland); Dr. Niemirower, Chief Rabbi of Roumania; Dr. Bernstein-Cohen and Dr. M. Kraemer (Roumania); Dr. Jochelman and Messrs.

Morris Myer and I. Gilbert (England); Messrs. Berthold Timendorfer, Gaspari, Dr. A. Klee and Miss B. Pappenheim (Germany); Judge Hugo Pam, Judge William I. Lewis, and Mr. A. Benjamin (U. S. A.); and Messrs. I. Ochberg and Bloch (South Africa).

The conference is called to consider the establishment of a Jewish World organization for social relief work. A proposal will be submitted that the Jewish World Relief Conference cease to exist in its present form and be extended into a relief organization which will embrace as far as possible the whole of world Jewry. It is pointed out that in the various countries the sums raised for Jewish relief work exceed the budgets of some of the smaller European states. The Joint Distribution Committee of America alone has expended about sixty million dollars on relief and reconstruction work. Throughout the world about two hundred million dollars are spent annually for Jewish relief and welfare work. The initiators feel that if the Jewish communal organizations and philanthropic societies unite into an interterritorial Jewish federation and appropriate to its funds only one or two per cent of their incomes, a sufficient fund will be created to conduct Jewish social relief work on a world scale.

Mr. and Mrs. Lyon Cohen, Miss Sylvia and Lawrence Cohen, Rosemount Avenue, who spent the past three months travelling in Europe, returned home on board the S.S. "Regina," on September 7. Their trip was shortened considerably because of the illness of Lyon Cohen, who suffered from an indisposition brought on by heart strain and overwork. In England, Mr. Cohen spent some time with the Canadian immigration commissioners and representative of the Paris Ica, who met him on his arrival and conferred with him on immigration problems. Mr. and Mrs. Lyon Cohen were guests at the Royal Garden Party at Buckingham Palace, and attended the Canadian High Commissioner's Dominion Day reception. In Paris, Mr. Cohen attended the bi-monthly meeting of the General Council of the Ica, and meetings of the Jewish World Relief Conference. They travelled in Switzerland and Italy. While in Rome, Lyon Cohen was granted an audience with the Pope, but his sudden illness made attendance impossible. They visited Austria to consult Viennese specialists, and to be present at the Jewish World Relief Conference at Carlsbad on August 21. Though Mr. Cohen had been appointed a member of the council, his illness compelled him to remain in a sanatorium in Vienna for some time, before he could proceed home by leisurely stages. At present, he is resting at his home. Throughout the trip all the members of the party visited places of special Jewish interest in London, Paris, Lucerne, Florence and Rome.

P. 215 On Dec. 7 (1778) Johnson wrote - - -
Defau, another "fit and Trusty person," recommended
to him for employment as express carrier, stated that
he thought he could get through to the city of New York,
or at least as far as Rynbeck on the Hudson, "from whence
there are frequent opportunities of hearing from there." . . .
This proposal received Haldimand's ready
approval and he sent a message to be forwarded to Sir
Henry Clinton at New York by Defau, . . .

P. 216 Sir John reported from Lachine on March 8 (1779):
"In compliance with your Excellency's desire signified
to me in a letter to Colonel Claus, I have to inform you
that exclusive of Defau and Green, who went off the
last of December, I . . . Defau did not think
of being back till the end of this month, but if anything
was intended against this Province, Green was to return
immediately."

Johnson announced the return of two of his
scouts on May 4 (1779).

"I have the pleasure to inform Your Excellency that
Defau and Green are returned and herewith transmit
two Notes Defau received from Colonel Beverley Robinson
with all the News Papers they brought in. Defau being
closely pursued was obliged to destroy your Excellency's
letter to Sir Henry Clinton, and having no other proof of
being Employed was suspected until he obtained a Certificate
from Governor Franklin of his having been confined with
him in New England on account of his loyalty — His

Examination is also enclosed which was taken in a hurry, but contains everything that he and Green could collect. I flatter myself from all that I have been able to collect from them that the Report of an Expedition against the Six Nations on Niagara brought by the Mohawk Party just come in will prove groundless."

Haldemend was not entirely satisfied with the statement transmitted and directed that Dafar should be sent to Quebec for a personal interrogation

Dear Dr and Mrs Burleigh,

I have greatly appreciated my welcome with the Kingston OGS group. As you know, this is where I really belong-- certainly not with the Toronto group!

We spent Christmas vacation in Boston with brother Ted and family. First time in this old city-- managed a day at GOODSPEEDS, and another at the Boston Public Library and the New England G.S. Got some interesting Carleton background there. Also saw copy of that old Thomas Deveau book of 1885-- was able to microfilm about 50 pages until my change ran out.

Excellent phone chat with Marvin Devoe, who works for his father, car dealership. Marvin's cousin Jack Devoe, is professor at New Hampshire University-- and the two of them recently spent ten days doing Defoe research in Fredericton. Their Defoe ancestor was Pierre Defoe, 1690, at Arichat, Cape Breton.

This Jack Devoe, the professor, has been doing Defoe research for ten years. He might be worth cultivating. Do you have any information on this group?

Marvin Devoe, 40 Montclair Avenue, Roslindale, 02131, Mass.
Jack Devoe, Grey Rocks, Strathan, New Hampshire.

Found some pages that I was happy to copy for you. You will enjoy them if you haven't seen them for some years. You will realize that they came from my father's papers.

Plan to take train down for Kingston meeting on the 17th-- one cannot trust car travel at this time of year. Looking forward to seeing you then.

A great big hug to you both,

Eleanor Carleton Moulton

Dear Doctor

Thank you once more for taking the time to discuss my family tree from your very busy day.

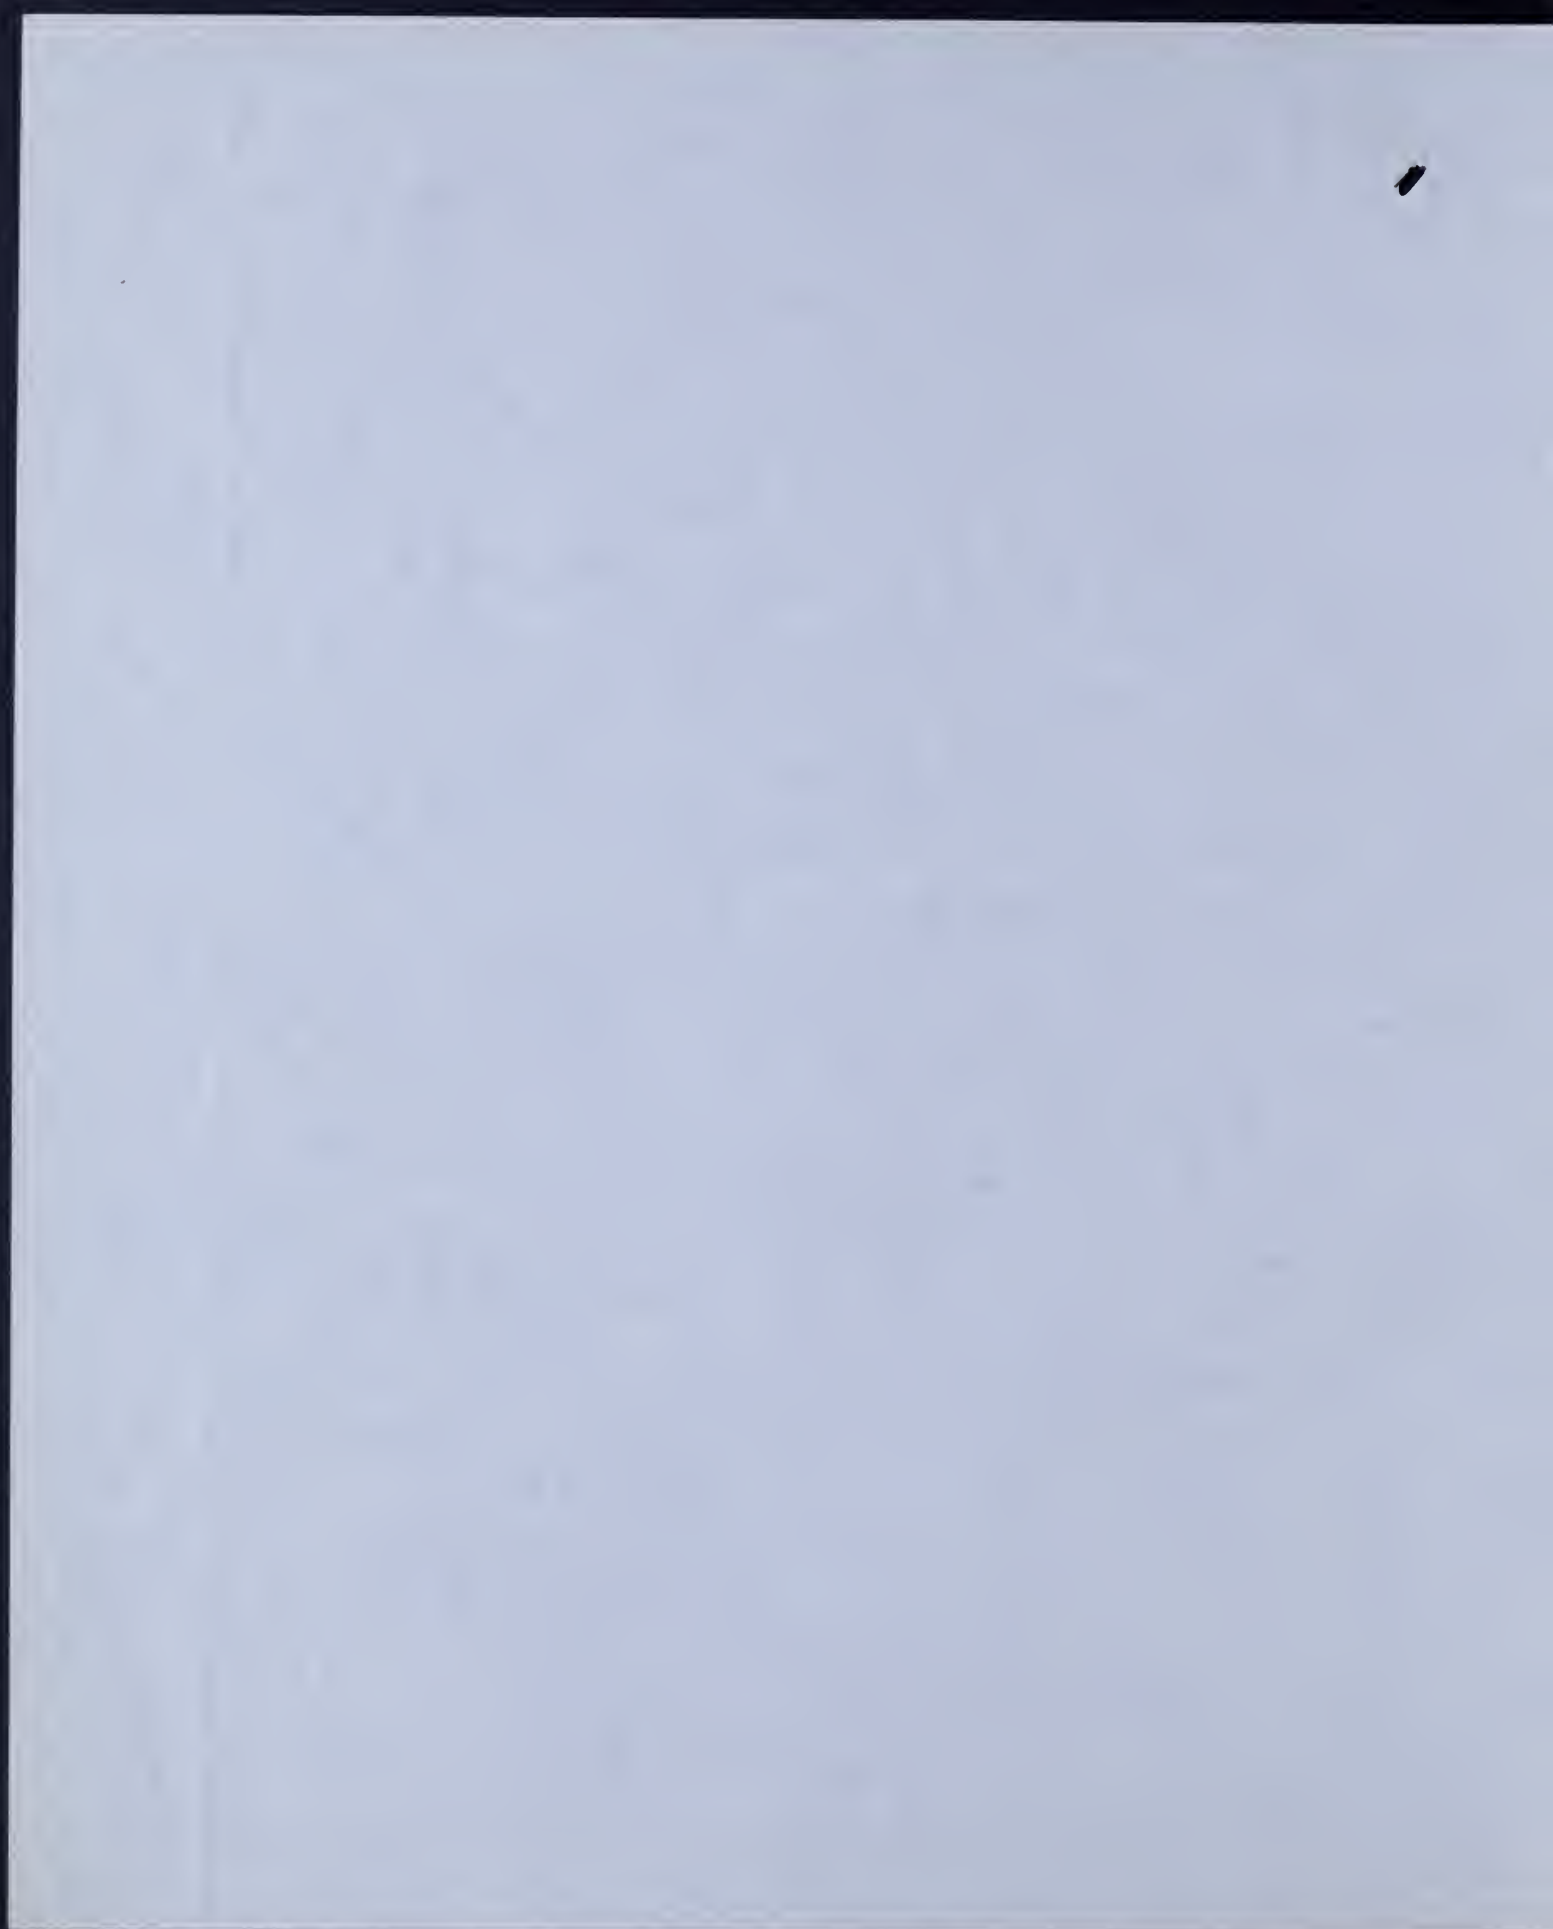

I was very pleased to receive your letter enclosing the notes from the Hapoe Feb. Thank you once more.

I am enclosing the little I spoke of from a Clifford Sifton State & hope you will find it useful.

They will be short as I would like to catch up a little on my correspondence. If at any time I can be of any help do not hesitate to write.

Sincerely

BR (Bob) Hapoe

List sources of information and use numbers to refer to particular item on application form.

There is a limit to the space which can be provided on this application form, and for such information as births, marriages and deaths of children, grand-children etc. who do not appear in the direct line of descent of the Applicant. This information however is important to the general family history and we would be pleased to receive such additional information on separate sheets of letter size paper to be included with your file. Maybe some of your descendants a couple of generations in the future will be glad of this information.

Please find attached the following lists of references:

TRAINS DERAILED
OXFORD, N.S. (CP) — Sixteen cars of a fast CNR freight train were derailed at nearby Thomson Station Sunday night. No one was injured as six carloads of coal and mine of salt plowed off the main line into heavy snow.

There were three schools, one at Yarker, one at Odessa, and one at Camden East. The Simpsons general store at Newburgh, Emmons' service station at Odessa, and the Camden East church were also entered. Provincial constables Robert Graham and Gene Asselstine are conducting the investigations.

ploded and crashed in a rice paddy Sunday and two San Antonio men died in the fiery crackup.

MUSIC NOTE

The world's oldest surviving musical notation is a Sumerian hymn recorded on a clay tablet dated about 800 B.C.

Arthur Defoe Funeral Is Held at Napanee²⁷

NAPANEE (Staff) — The funeral of Arthur L. "Duffy" Defoe, Napanee, was held Saturday from the Wartman Funeral Home. Interment was at Riverside Cemetery. Rev. William Simmons officiated.

Mr. Defoe, manager of the waterworks division of the Napanee Public Utilities Commission since the commission was formed in 1930, died in Kingston hospital Friday morning.

On Jan. 6, Mr. Defoe suffered a stroke. He never regained consciousness.

Born in Napanee, he was a life-long resident of the area, except for a three-year period when he worked in a bank in Mexico City. His father, J. R. Defoe, operated a grist mill here. Later, the elder Defoe took over as operator for the Napanee Water and Electric Light Company. This company was bought out by the province around 1920. J. R. Defoe continued as operator. He died in 1922 and Arthur assumed the post.

A former Rotarian and an

avid sports enthusiast, Mr. Defoe was a well-liked and well-known Napanee citizen. He was instrumental in the decision to build a new filtration plant here. The plant was started last fall.

It is understood Mr. Defoe planned to retire when the filtration plant was completed.

He is survived by his wife, the former Alice Pruyn, one sister, Mrs. William Plewman (Edith) of Toronto and a brother, E. R. Defoe of Sillsville.

Dapoe.

The forefathers of the De Voie family in America were French Protestants (Huguenots), the name then being De Veau. The American ancestor of this branch of the family is Frederick De Veau, born about the year 1645 in the province of Normandy, France. When a boy of twelve or fourteen years of age he, with his parents and two brothers, left home in France to escape the persecutions of the authorities, and after much suffering arrived at Mannheim, Germany, where they found some of the earlier fugitives of the family, who had left France at various earlier periods. Here Frederick grew to manhood, entered into trade in the town, where he married about 1673; his wife, however, soon dying without issue he closed up his business, and after obtaining the necessary passport from the Magistraten of Mannheim, in 1675, took passage for England and from there to New York, settling at Harlem, where on June 24, 1677, appears in the Dutch Church records the marriage of

"Frederick de Voix, widower, to Hester, daughter of Daniel Terneur of Harlem."

By this marriage he came into possession of a tract of land afterwards known as the Cromwell farm, located where Cromwell Creek connects with the Harlem river near the "Central Bridge." In 1694 he purchased the neck of land known as Devo's Point which connected McComb's dam — now Central Bridge — on the east end across the Harlem. In 1705 he purchased land from Colonel Lewis Morris in Morrisania, and in 1715 took the oath of allegiance; three years after (1718) he purchased two hundred acres of land in New Rochelle, and in 1719 bought the farm adjoining, containing one hundred acres. These two farms were later occupied by his son Abel, his father still later taking up a residence with him. In 1730 he is found boarding with his son-in-law, Andrew Naudain, at New Rochelle, where he continued until within a few months of his death in November, 1743, at the house of his son Daniel at Morrisania, town of Westchester. The inventory of his money, boxes, goods, etc., after his death, shows that for that period he was a man of

wealth, as also by his will in which he divides up his property, giving each certain sums of money and other property.

His children, all by his second wife, are

1. Rachel, born 1678; married Johannes Dyckman and settled in Hackensack, New Jersey.
2. Jacob, twin of Rachel, died young.
3. Susannah (Susan in Bible), born 1682; married Andrew Nodine (or Nodine): of French extraction, who was born in the last year of the seventeenth century; lived entirely through the eighteenth and died at age of one hundred and two years, the first or second year of the nineteenth century; They resided in New Rochelle.
4. Frederick (2), born 1684, died 1753; married (first) Hester Dyckman, (second) Mary Odell; he had the "Cromwell farm" deeded him by his father, on which he lived all his after life; his descendants, settled in Westchester and Ulster counties, New York, and many of them fought in the revolution.
5. Daniel, of whom further.
6. Abel, born about 1688, at Morisania, New York; a farmer of New Rochelle, holding lands deeded by his father; he died in 1747, owning lands deeded by his father; he died in 1747, owning land and slaves; he married Magdalena Hunt.

Was In Mexico At Time Of Uprising, A. L. Dafoe Dies

Arthur L. Dafoe, manager of the waterworks division of the Napanee Public Utilities Commission since 1923, died last Friday in Kingston General Hospital. He was 76.

A graduate in engineering from Queen's University Kingston, where he starred in intercollegiate football, "Duff" Dafoe worked in Mexico for a number of years but escaped from that country at the time of the Mexican uprising and returned to Canada.

He succeeded his father, the late John R. Dafoe, as waterworks manager here. His father had managed the plant since 1890, just 15 years after it was built by an independent company in 1875. Later it was taken over by the municipality.

Mr. Dafoe also was active in hockey and other sports in his younger days. In add-

ition to his waterworks post he operated an insurance business here.

He was stricken with a heart attack while at the pumphouse on January 6 and was taken to hospital, where he succumbed a week later.

The funeral was held Saturday at the Wartman Funeral Home with interment at Riverside Cemetery here. Rev. W. L. Simmons, rector of St. Mary Magdalene's Anglican Church, Napanee, officiated.

Surviving Mr. Dafoe is his wife, the former Alice Pruyn, and a brother, R. E. Dafoe, Sillsville, and a sister, Mrs. William Plewman (Edith), of Toronto.

A Wednesday Wedding

NUPTIALS OF MR. FRANK DAFOE AND MISS ELEANOR EDNA ROBINSON IN THIS CITY YESTERDAY.

A very stylish and pretty wedding was solemnized in this city yesterday, at the residence of the bride's parents, Mr. and Mrs. Byron Robinson, "Hillside," North Park street. The principals were Mr. Frank Dafoe, of the firm of Thompson and Dafoe, Madoc, and Miss Eleanor Edna Robinson, second daughter of Mr. and Mrs. Byron Robinson.

Rev. Geo. Brown, pastor of the Tabernacle, performed the ceremony, which was a quiet affair, at high noon.

The bride was tastefully gowned in white eolienne over white taffeta. She looked exceedingly winsome with the conventional bridal veil and orange blossoms, carrying a shower bouquet of white roses. It was a pretty picture as the bride entered the drawing-room on the arm of her father, passing through an avenue formed of white liberty satin ribbon, the ends of which were held by two daintily dressed little flower-girls, Miss Mabel Miller, of this city, and Miss Flossie, daughter of Dr. Bogart, of Kingston. The ceremony took place in front of an altar composed of palms and white roses.

The bride was attended by her aunt, Mrs. Allan, as matron of honor, that lady being handsomely gowned in pearl grey eolienne over pink taffeta, with Duchesse lace trimming.

Before and after the ceremony Mendelssohn's wedding march was tastefully played by Miss Jones.

After the happy couple had received the congratulations of their friends a dainty and toothsome repast was served, which did ample credit to the caterer.

The groom's present to the bride was a magnificent sunburst of diamonds and pearls; to the matron of honor cut glass, and to the flower girls pearl crescents. The wedding presents were numerous and costly, showing the high esteem in which the young couple were held by their friends, of whom many were present.

The bride's going-away gown was a tailor-made creation of dark green broadcloth, with hat to match.

Mr. and Mrs. Dafoe left on the 5 p.m. train for Toronto. They will take the famous Mackinac trip during their honeymoon, and at its conclusion will reside in Madoc.

Mr. Bob. Dafoe,
821 Lynn,
Windsor 22, Ont.

Dear Mr. Dafoe,-

I was pleased as well as surprised on my return from a brief trip to California to find your letter of the 28th ultimo awaiting me.

I have no idea what our relationship is or might be. Obviously, there is some as there must be between all humans if the biblical account of Genesis is to have any substance. You may, in your research, establish what the actual connection is. I hope you don't uncover too many horse-thieves, bandits or other unsavory characters !

You have embarked upon a very fascinating subject, one which requires a great deal of patience and perseverance as I'm sure you must encounter many dead-ends and lack of enthusiasm from those whom you have contacted.

I had considered a similar course when I was in Ontario five or six years ago and established some contact with some of the cousins but failed to even get it remotely off the ground.

I have no idea what you have already mustered and put together so I'll forward you what I have and hope it may be of some value to you. If you have 1,000 names already it is most likely you already have recorded those I am about to send you.

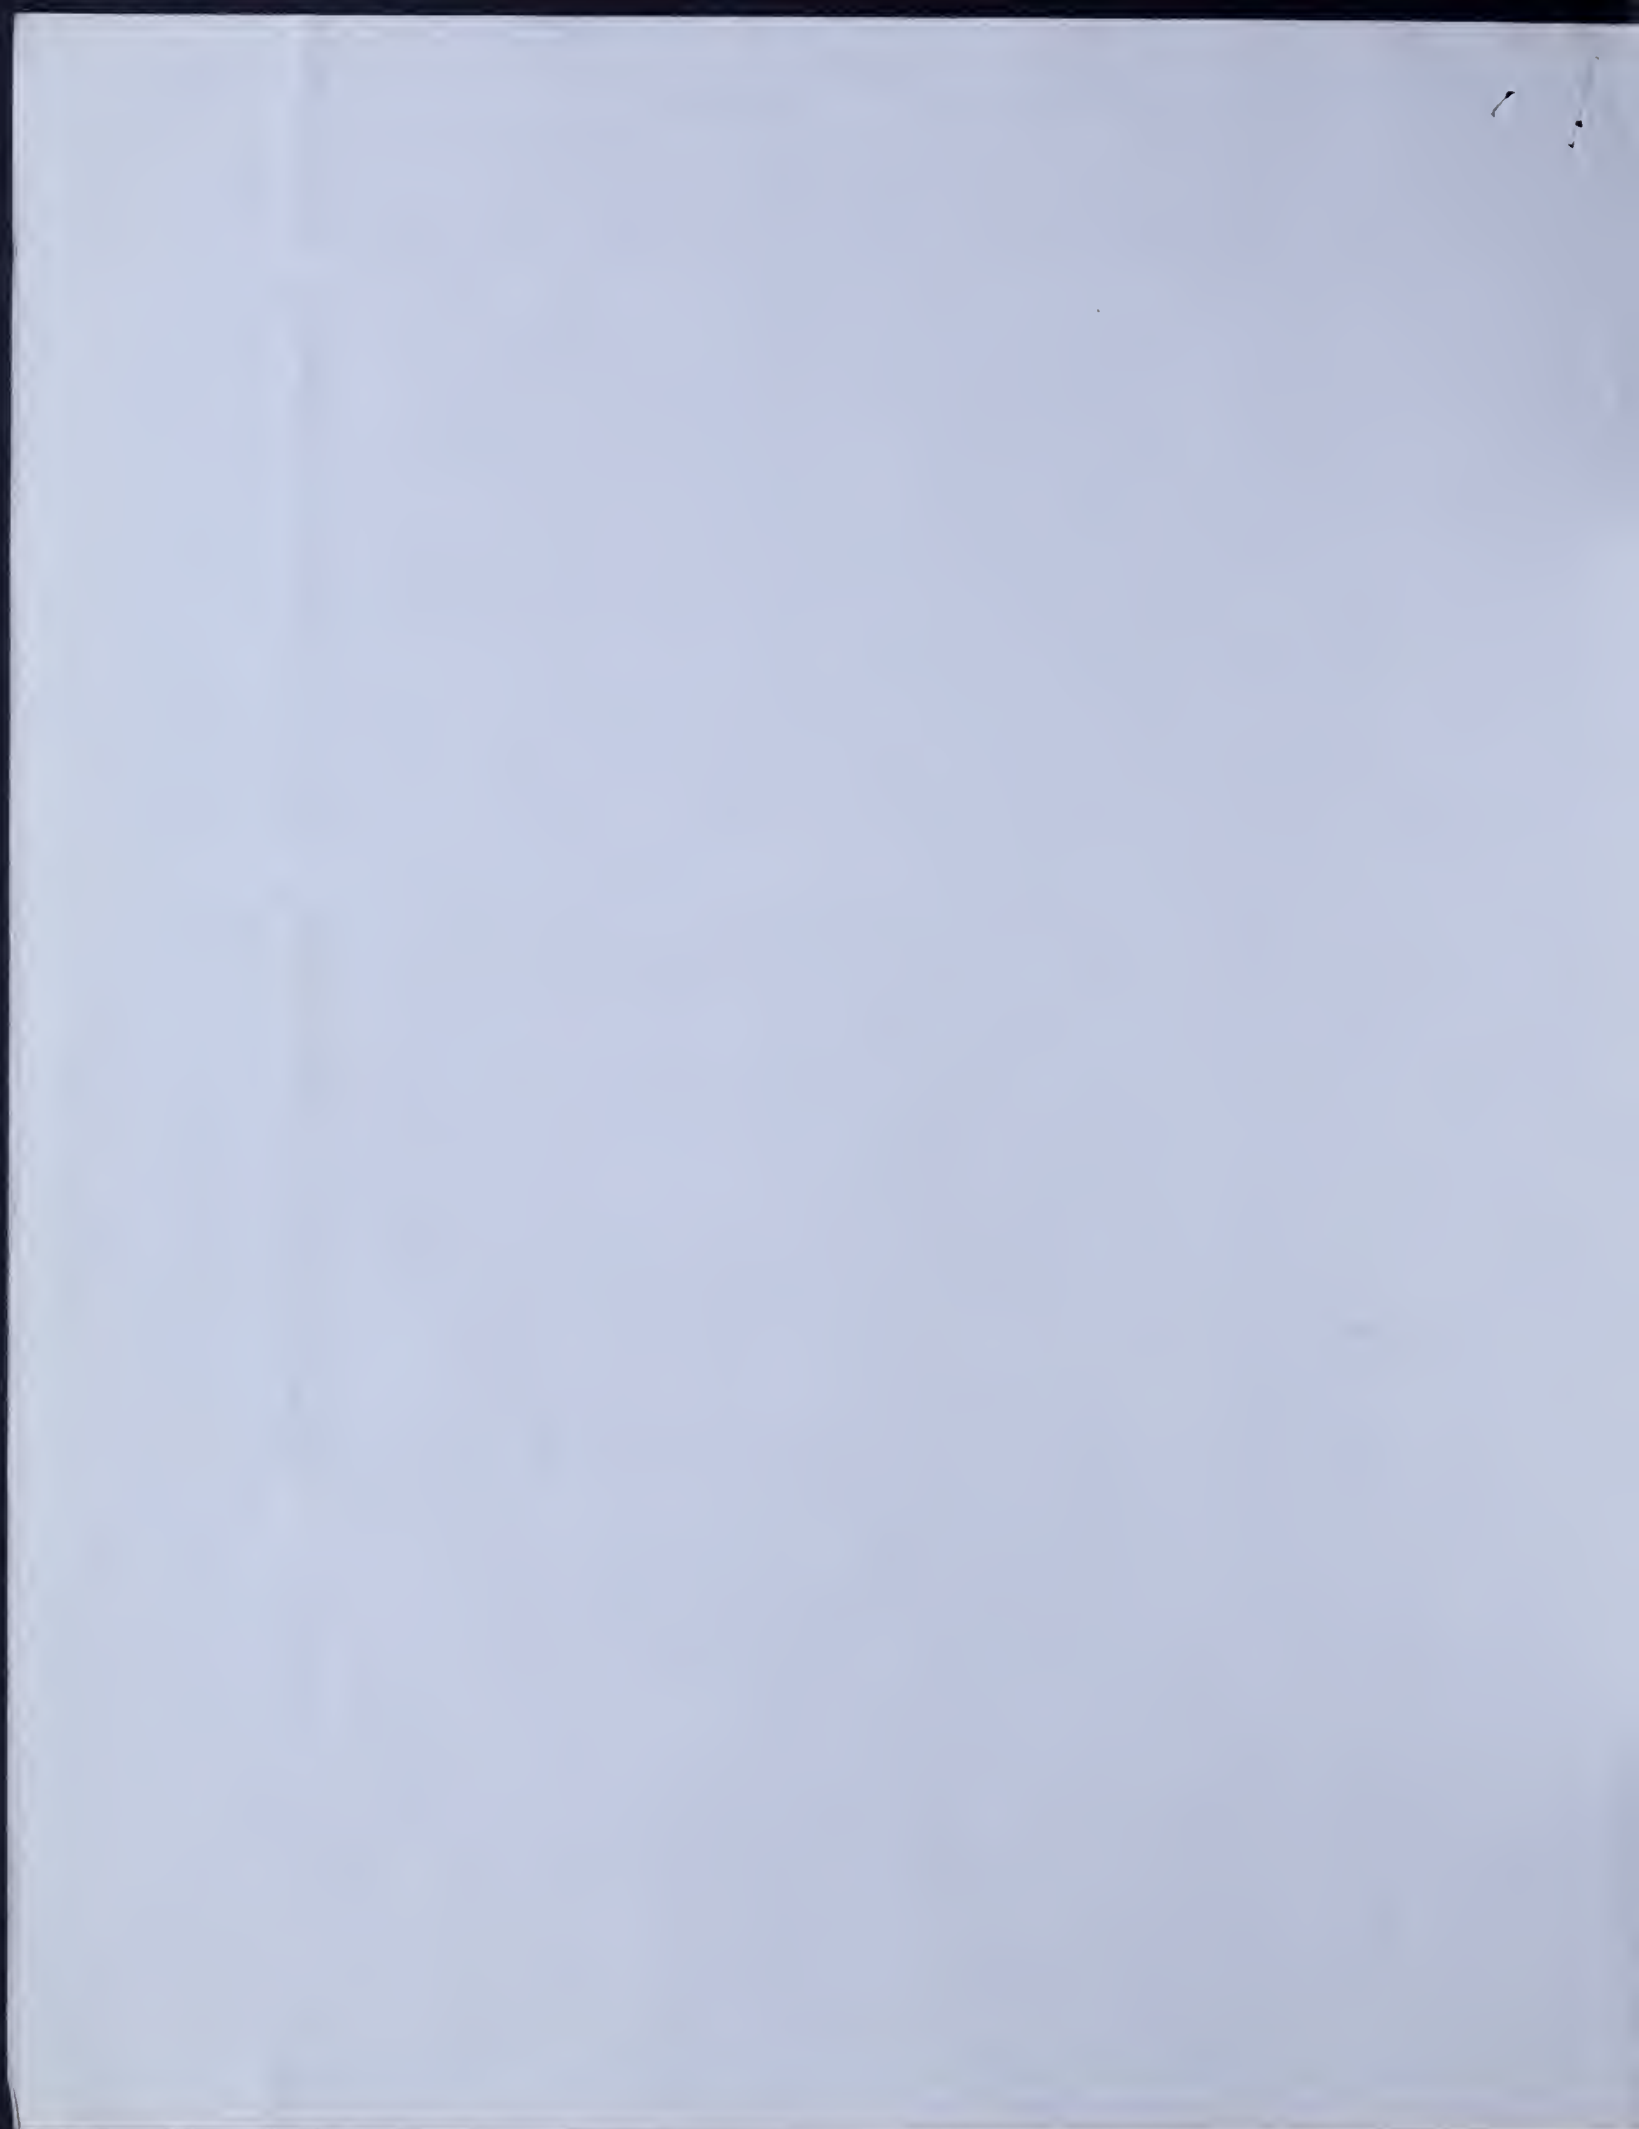

I spent a very interesting and pleasant evening five years ago with Hazel Dafoe, Dalton's wife. Dalton is employed in train service on the CNR and happened to be out the night I was in Brockville. He has the family bible, the one our Grandfather Dafoe had in his home, entered and recorded so much of the essential information you are trying to run down. If you are ever in the vicinity of Brockville I'm sure Dalton and Hazel would be pleased to have you call on them and peruse this remarkable record.

As I apparently showed great interest in this family history Hazel Dafoe so kindly abstracted the following from the record which I am pleased to send along to you along with additional information which the passing years inexorably must uncover as time and life is never static and is constantly changing.

I am sending a copy of this letter to my older son, Paul Dafoe Stata in the event that he might be interested in ^{the} genealogy of his Dafoe forebearers in which case he will know you have done some work in this connection.

I wish you every success in this work you have undertaken.

Sincerely,
Clifford Sifton Stata.

Michael and Anna McFarland. Children, born in Dunkirk: 1. James M., now assistant cashier of the Merchants' Bank of Dunkirk; married, June 27, 1911, Elizabeth Jacka. 2. William T., secretary and treasurer of the Dunkirk Construction and Supply Company; unmarried. 3. John J., bookkeeper for Safe (Department) Store of Dunkirk, New York; married Mary E. Callagee. 4. Catherine, died aged eighteen years.

(II) Patrick N., fourth son of Dennis and Hannah (Cusack) Madigan, was born in county Limerick, Ireland. He was reared and educated in his native land. He accompanied his brother Michael to the United States in 1855, after the death of their mother. He was a member of the firm of J. Madigan & Company, aforementioned, and also served as agent of the United States mail line of steamboats plying between Cincinnati, Ohio, and Louisville, Kentucky, which position he resigned on account of failing health. Later he held various positions with railroads, and at the time of his death, in 1873, was serving as general passenger agent for the Baltimore & Ohio railroad.

Patrick N. Madigan married, in 1870, Matilda E. Lavalley, of Louisville, Kentucky, who bore him one child, Mary Shirley, both of whom make their home principally in Chicago, Illinois, but at the present time (1911) are living in Dunkirk, New York.

The forefathers of the DeVoe family in America were French Protestants (Huguenots), the name then being DeVeaux. The American ancestor of this branch of the family is Frederick De Veaux, born about the year 1645 in the province of Annis, France. When a boy of twelve or fourteen years of age he, with his parents and two brothers, left home in France to escape the persecutions of the authorities, and after much suffering arrived at Manheim, Germany, where they found some of the earlier fugitives of the family who had left France at various earlier periods. Here Frederick grew to manhood, entered into trade in the town, where he married, about 1673; his wife, however, soon dying without issue. He closed up his business and after obtaining the necessary passport from the magistrates of Manheim, in 1675, took passage for England and from there to New York, settling at Harlem, where on June 24, 1677, appears in the Dutch Church

records the marriage of "Frederick du Voix, widower, to Hester, daughter of Daniel Teneur of Harlem." By this marriage he came into possession of a tract of land afterwards known as the Cromwell farm, located where Cromwell creek connects with the Harlem river near the "Central Bridge." In 1694 he purchased the neck of land known as Devoe's Point which connected McComb's dam—now Central Bridge—on the east end across the Harlem. In 1705 he purchased land from Colonel Lewis Morris in Morrisania, and in 1715 took the oath of allegiance; three years after (1718) he purchased two hundred acres of land in New Rochelle, and in 1719 bought the farm adjoining, containing one hundred acres. These two farms were later occupied by his son Abel, his father still later taking up a residence with him. In 1730 he is found boarding with his son-in-law, Andrew Naudain, at New Rochelle, where he continued until within a few months of his death, in November, 1743, at the house of his son Daniel at Morrisania, town of Westchester. The inventory of his money, bonds, goods, etc., after his death, shows that for that period he was a man of wealth, as also by his will in which he divides up his property, giving each certain sums of money and other property.

His children, all by his second wife, are: 1. Rachel, born 1678; married Johannes Dyckman and settled at Hackensack, New Jersey. 2. Jacob, twin of Rachel, died young. 3. Susannah (Susan in Bible), born 1682; married Andrew Naudain (or Nodine), of French extraction, who was born in the last year of the seventeenth century; lived entirely through the eighteenth and died at age of one hundred and two years, the first or second year of the nineteenth century; they resided in New Rochelle. 4. Frederick (2), born 1684, died 1753; married (first) Hester Dyckman; (second) Mary Odell; he had the "Cromwell farm" deeded him by his father, on which he lived all his after life; his descendants settled in Westchester and Ulster counties, New York, and many of them fought in the revolution. 5. Daniel, of whom further. 6. Abel, born about 1688, at Morrisania, New York; a farmer of New Rochelle, holding lands devised by his father; he died in 1747, owning land and slaves; he married Magdalena Hunt. 7. January 17, 1888, aged sixty-eight years. He was in earlier life a journalist and writer for a Buffalo newspaper but his health demanded outdoor work, and he learned the stonemason's trade. For over fifty years he resided in Jamestown, coming when it was but a small village. He became a contractor, erected many buildings and acquired a generous estate. The Congregational church now stands on land which he owned. He was a member of the Baptist church, and a Republican. He married Almira Gay, who died August 22, 1905, at the age of eighty years, and is buried in Lake View cemetery. She was a daughter of Gilbert and Mana (Estell) Gay, and a direct descendant of John Gay, who came from England in 1630 and settled at Sharon, Massachusetts; also a great-great-grandchild of Lieutenant-Colonel Gay, of the revolutionary army. Children of Mr. and Mrs. Cook: 1. M. Alice, was educated at the Jamestown high school, and afterwards attended the Buffalo General Hospital where she was graduated a trained nurse; she remained at the hospital ten years following her profession; she is a member of the Woman's Christian Temperance Union and of the Congregational church; she married, November 3, 1888, Alonzo DeVoe. 2. Albert, died in infancy. 3. Albert (2), a practicing physician of Newcastle, Pennsylvania. 4. Ella, married Fred W. Gordon, of Jamestown, New York.

She has been educated in that city, being graduated from the high school, class of 1910. She is a member of the Congregational church and of the Union Grange Choir. She resides with her mother at 545 East Fifth street in the home built by her father.

The American progenitor of the Carlson family of Jamestown is Daniel August Carlson, born in Sweden, March 17, 1830. He was a farmer and a carpenter, working at the latter occupation in Stockholm until 1880, when he came to the United States, settling in Chautauqua county, New York, first at Kennedy, later in Jamestown, where he now lives a retired life, respected by all as a kindly-hearted, benevolent gentleman. He is a member of the Methodist Episcopal church, and a

Republican. He married, in 1852, Breta Christina Johnson, born July 29, 1828, in Sweden, died July 24, 1909, in Jamestown. She was a devoted member of the Methodist Episcopal church, and is buried in Lakeview cemetery. Children: A child died in infancy; Charles John, of whom further; Alida Sophie, married August Dahlgren (see Dahlgren II).

(II) Charles John, only son of Daniel August and Breta C. (Johnson) Carlson, was born in Smaland, Sweden, June 4, 1854, died in Jamestown, New York, November 18, 1907. He attended school in Sweden until he was sixteen, when the family came to the United States, settling in Chautauqua county, New York, where his education was finished. He learned the trade of a carpenter, and after a few years became himself a manufacturer of furniture with plant at Kennedy, New York. Later he organized the firm of Carlson, Bloomquist & Snow, furniture manufacturers, with mills and offices at Falconer. Here he conducted a successful business for fourteen years, then retired with a competence on account of ill health. He was an energetic, capable man of business, and from a small beginning made a name for himself in the business world and left his family well provided for. He was of a genial, companionable disposition, and had a wide circle of friends. In 1900 he built a fine, modern house in Jamestown, where his widow now resides. He was a member of the Fenton Guards, with whom he was very popular, as he was with all. Politically he was a Republican, and in religious faith a Methodist.

He married, at Jamestown, August 20, 1881, Christina W. Lind, born in Sweden, March 13, 1856, daughter of Samuel Lind, born in Sweden, 1805, died 1901; married Anna Lawson, born 1811, died April 23, 1905. Their children are: Peter, deceased; Gustus, resides in Sweden; Anna M., resides in a western state; Carl John, resides in Sweden; Caroline Sophie, resides in Sweden; John Augustin, resides in Sweden; Charles Victor, deceased; Otto, deceased; Matilda, deceased; Christina W., married Charles John Carlson. Mr and Mrs. Carlson had five children, three of whom died in infancy, and the surviving children were: Victor, died young; Edwin Leonard, born in Kennedy, New York, October 5, 1888; educated in the public schools and Jamestown Business College; member of the Methodist Episcopal church; resides at the family home in Jamestown.

Xerox copy of Mary Butler's Petition.

Xerox copies of all wedding and birth certificats available

Occupations of each ancestor filled in as well as Husbands.

Would approve applicant for U.E. Membership when conditions

Comments of Dr. Burleigh

I feel inclined to approve acceptance of this application,
if our friend Mr. Parks, of Niagara Pennisula also approves.
He is more familiar with the Niagara people and should know
who qualify.
